

# The Future of Los Angeles

Experiment, Rinse, Repeat if Desired

OFFICE OF EXTRAORDINARY  
**INNOVATION**

We lead.  
We incubate.  
We transform.

We lead.

We incubate.

We transform.

We have the vision to help LA thrive.

Vision 2028 is our roadmap to the future.

GOAL 1

We see faster travel options.

GOAL 2

We see a better trip.

GOAL 3

We see vibrant communities.

GOAL 4

We see LA working together.

GOAL 5

We see a responsive Metro.

We lead.  
We incubate.  
We transform.

Mobility on Demand

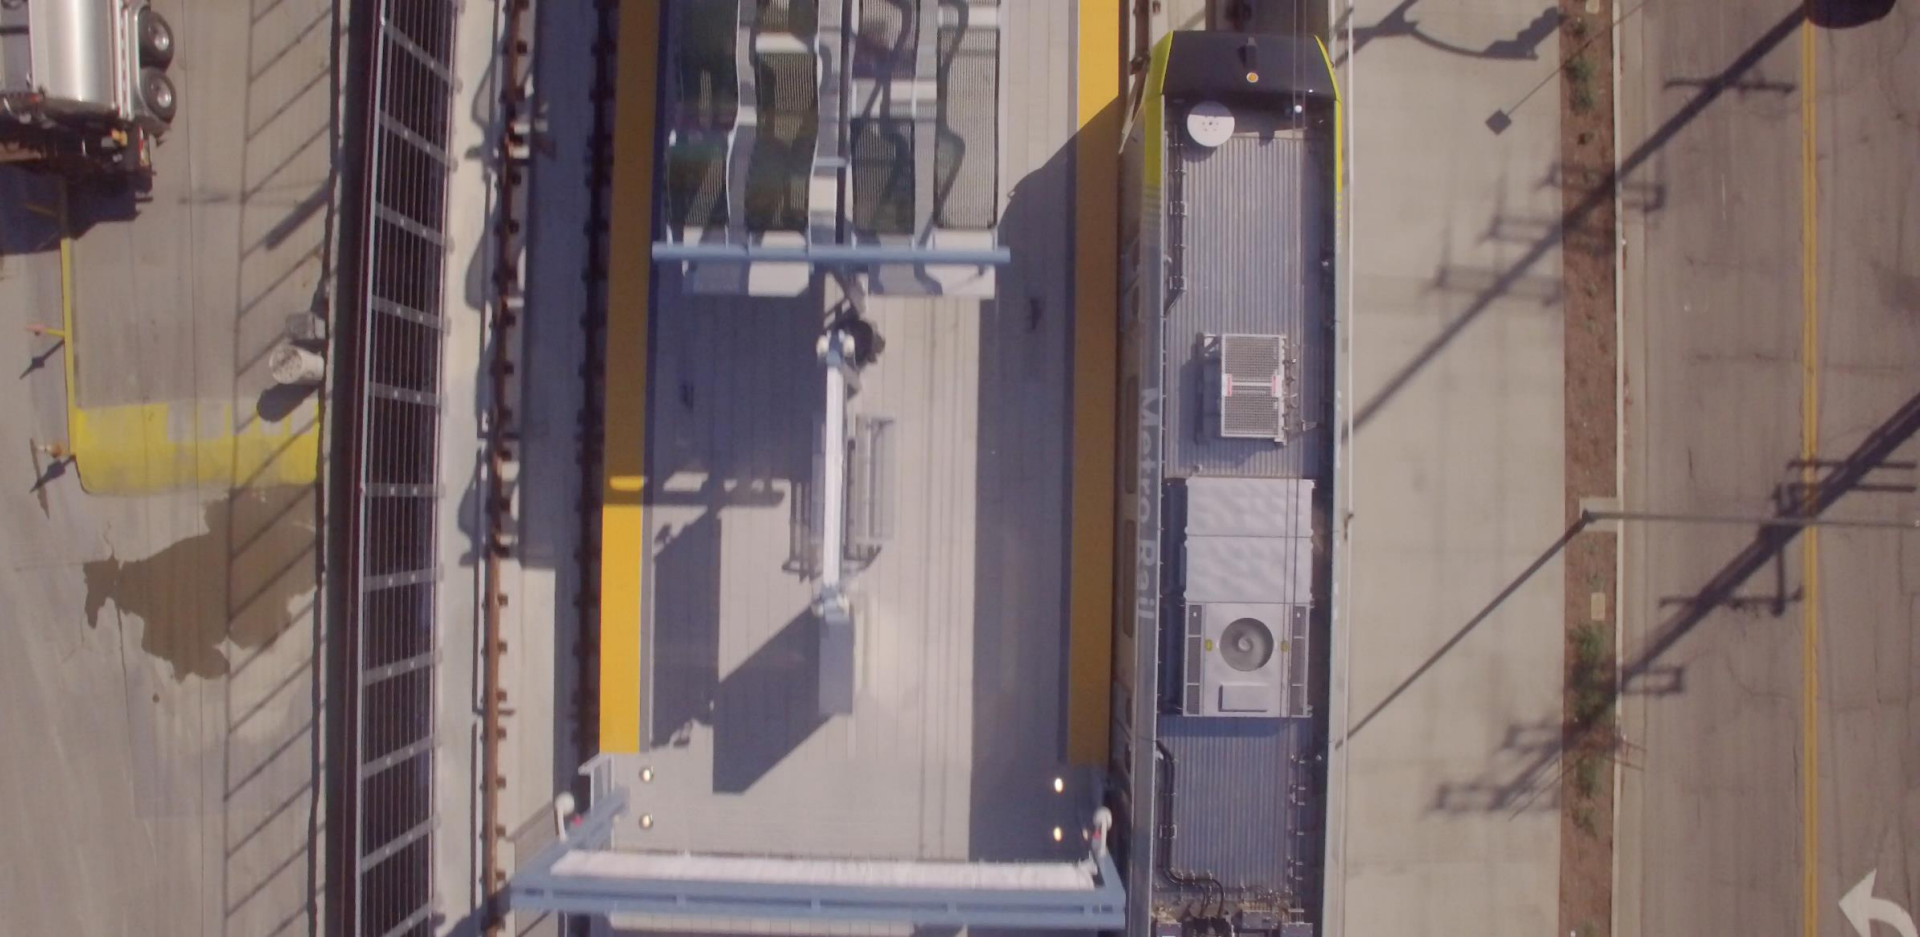

We're advancing the best ideas and innovations.

## Vehicle-to-Infrastructure Communication Unsolicited Proposal

Drones Data Collection  
Unsolicited Proposal

CarmaCam Proof of Concept (Rapid 720 Bus Only Lanes)  
Unsolicited Proposal

Union Station to Dodger Stadium Aerial Tram  
Pilot Program

MobileQubes  
Pilot Program

We're working with business to get projects done.

27

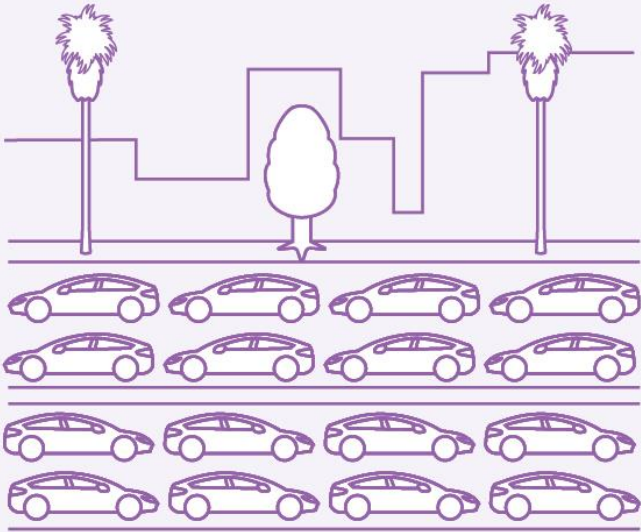

We lead.  
We incubate.  
We transform.

Finite and precious, our street space can be better used.

Sixteen solo drivers in traffic congestion

vs

Many more people moving smoothly when we make better use of street space

We're designing LA for future generations.

Thank you.
