The screenshot shows the website header with navigation menus: About, Business With Us, Missions, Locations, Careers, Media, Library, Contact, and Coronavirus. Below the header is a search bar and the text "US Army Corps of Engineers Los Angeles District Website". The main content area is titled "Business With Us / Small Business Program" and features a circular logo for the "SMALL BUSINESS PROGRAM" with "U.S. ARMY CORPS OF ENGINEERS" around it. To the right is a "DOING BUSINESS" banner. The main text area includes a "Small Business Program" heading, a photo of construction workers, and a welcome message: "Welcome to the Los Angeles District's Office of Small Business. We assist firms in doing business with the government to ensure small businesses have access to L.A. District contracts. We strive to provide you with the most current small business initiatives and project status. The Small Business Act of 1983, as amended, requires the Federal Government set-aside a fair proportion of its purchases to small businesses, through various Small Business Programs, including: Small Business Set Aside - purchases anticipated to be valued from \$3500 to \$150,000 is automatically set-aside for small businesses Small Disadvantaged Business - via U.S. Small Business Administration's 8a Business Development Program (www.sba.gov/8a). The 8a Program is a certification program and requires a registration and certification process. HUBZone Small Business Program - requires a separate registration and certification process. To register/certify for the HUBZone Program, access the SBA website at www.sba.gov/hubzone. Women-Owned Small Business - this is a self-certification Program, or a WOSB may elect to use the services of a Third Party Certifier. See guidance at www.sba.gov/WOSB. The Service Disabled and Veteran Owned Small Business - must have a service-connected disability that has been determined by the Department of Veterans Affairs or Department of Defense, at www.va.gov/osdbu." Below this is a "Useful External Links" section with a link to "USACE HQ Small Business". On the right side, there are two highlighted boxes: "Business Opportunities" with a link to "FY21 & FY22 Business Opportunities (Click Here to Download)" and "Upcoming Events & Links" with links to "SAME Phoenix (26 August) Opportunities Luncheon. Briefings by Luke AFB & USACE, In-person.", "Expo 21 (12-13 July) In-person.", "Navy Gold Coast (1-2 September) Virtual", and "SAME Federal Small Business Conference (15-19 November) In-person & Virtual".
